## **Hogan Design & Construction's Project Hope Program Committed To Feeding 1 Million Community Members Facing Hunger**

**Geneva, IL** (February 17, 2022) – Hogan Design & Construction (HDC) is embarking on a 1 Million Meals initiative to benefit our collective community. Launching today and over the next 10 years, the HDC Project Hope program will strive to feed 1MM community members facing hunger. Teaming with Tony Robbins and Feeding America, HDC is committed to doing its part to help eradicate hunger in our region and the U.S. In honor of Random Acts of Kindness Week 2022, HDC will match dollar for dollar up to \$5,000 USD, donated from February 13th through February 19th, 2022.

According to Feeding America and the USDA, more than 38 million people, including 12 million children, in the United States are food insecure. Many households that experience food insecurity do not qualify for federal nutrition programs and visit their local food banks and other food programs for extra support.

Giving back to the community is nothing new for the HDC team. Their Project Hope program has been in existence for several years, providing financial endowments, labor, time, and materials support to worthy organizations and individuals in the community in which they live and serve. "I can't think of a better way to help those in our community seeking sustenance and support," said Brian Hogan, Owner, and Founder of Hogan Design & Construction (HDC). "The need continues and the impact each dollar makes is so important to the lives of our friends and neighbors." For more information and, to donate, [please visit the HDC Feeding America fundraising website.](#)

Established in 2000, Hogan Design & Construction (HDC) is a premier residential and commercial design-build firm that can handle all your home remodeling and new construction needs. From design conception to construction completion, your dedicated HDC project team and resources deliver a superior customer experience with less stress and surprises. Additionally, HDC's project management team carries certifications and specialized expertise in Specially Adapted Housing (SAH), Adaptive Living, and ADA Aging-In Place so that they can meet all customer needs. HDC is deeply rooted within the communities in which they live & work. [Please visit their website](#) or call (630) 991 8700 for more information.

**DONATE**

**\$1,000 RAISED** **GOAL \$10,000**

[My Story](#) [Donations](#)

We've joined Team Feed Corporate to help end hunger in America. No one should go without a meal, yet more than 38 million people in America still face hunger. We created this fundraiser to help provide these much needed meals to our neighbors through the Feeding America network of food banks and we're asking you to join us in our cause.

Every \$1 donated helps provide at least 10 meals. It only takes a little to make a big difference. Will you help in my fight to end hunger?
